Go! Go! Soccer is now available on the App Store!

FOR IMMEDIATE RELEASE:

Mutant Games is proud to announce the release of his new iPhone and iPod Touch game today! **Go! Go! Soccer** is a simple and addictive game where you guide a footballer tilting your device right and left to avoid rivals coming from everywhere to stop you, and always finding the best path to reach the goal. Get ready for tackles, power ups, sprints, dribbles, passes, bald referees, and live the excitement of soccer!

"As soon as anyone plays Go! Go! Soccer, they get hooked forever" said Daniel Fernandez, CEO of Mutant Games. "Everyone can enjoy this game, even if you don't like soccer at all. It's a unique game which delivers a crazy but fun soccer experience"

Go! Go! Soccer features **Open Feint**: Beat challenges, win **achievements** and track your score on the global online **leaderboards**. You can even challenge your friends and submit your scores to Facebook and Twitter.

You can get this **hugely addictive** game now on the App Store at only **\$0.99!** (Launch offer for limited time only)
